Wren - Equipment / roleplay

Equipment

Leather armor, rapier, daggers, viol/instrument case, entertainer/traveller gear, bedroll, pack, journal/songbook, Rillix's care items if currently carried by Wren.

Roleplay notes

Observant, warm, emotionally precise bard. She hears the hidden part of a story. Current role: deliver the news to Miros gently, carry Rillix safely, and keep her own grief/heart intact. Slow-burn with Alphie, but Goldenfields first.

Level 5 audit / assumptions

- Built as 2014 Bard 5. College of Lore is an assumption because the subclass was not explicitly available in the notes.
- Ability scores are inferred from known Level 2 HP 16 and AC 13: likely DEX 14, CON 12; CHA assumed 18 after level 4 ASI.
- Spells known are selected to match table history where available: Faerie Fire and Feather Fall have been used/recorded.
- Confirm race and exact instrument/tool choices with Talia.

This is a custom table-ready sheet, not an official Wizards of the Coast form. It is built for 2014 D&D 5e rules using the campaign notes available here. Review with Marcus before combat if your table chooses different ability scores, subclass, equipment, prepared spells, or 2024 rules.
